

ABX 0100: Adult Basic Education Math

Fall B 2021

Instructor Information

Name: Jade Meqdad

Email: Jade.Meqdad@Daytonastate.edu

Website: www.LearnABE.com

Course Information

Dates: 10/18/2021 - 12/15/2021

Times: Monday, Tuesday, Wednesday, Thursday 9:30am - 12:30pm

Location: Building 300 (Greene Center) - Room 232 (Computer Lab)

Campus: Daytona Beach Campus

Course Description

ABE is a non-credit course designed to develop mathematics skills necessary to be successful workers, citizens and family members. A student enrolled in the ABE program may be receiving instruction in one or more of the following courses: Mathematics, Language Arts, or Reading. Once a student has attended 70 hours of instruction, they will retake the CASAS assessment for appropriate course placement.

Course Outcomes

Upon completion of this course, students will be able to achieve an improved score on the TABE or CASAS mathematics assessment. After scoring at the appropriate level, students will be able to transition to the GED-Preparation course or to a vocational program.

Attendance

Students must attend class regularly. If 6 consecutive classes are missed, students may be withdrawn from the course. It is important that students maintain contact with the instructor if they will be absent from class due to unplanned circumstances.

Course Format

You have two options for attending class: In-person and virtually through Microsoft Teams. Access to joining the live stream is available under our class link on the LearnABE website. To receive credit for attending virtually, students must participate in the class discussion and email me their completed assignments.

Course Schedule

Students will meet Monday - Thursday from 9:30am - 12:30pm. Two classes per week will consist of independent work (Essential Education, LearnABE worksheets, tutoring, workbooks, etc.) and the other two classes will consist of group discussion (review of sample test items and practice tests).

Grading System

For this class, students will receive a final grade of SP, NG, or W:

- SP (Completion) - Issued when a student scores at the GED-Preparation level on the retest (after 70 instructional hours have been obtained)
- W (Withdrawal) - Issued when a student officially withdraws from the class or does not attend at least one of the last six days of class
- NG (No Grade) - Issued when neither a grade of SP or W applies to the student

Class Withdrawal Process

Students can withdraw from this class at any time without approval from the instructor, but it is recommended that students discuss the situation with the instructor prior to any action. To withdraw, students should email the Adult Education Manager,

Michelle Timperio, at Michelle.Timperio@DaytonaState.edu. There are no refunds of tuition fees.

Required Texts

There are no required texts for this course. If preferred, students are able to check out appropriate level math workbooks for the duration of the semester.

Students Rights and Responsibilities

Students are responsible for reading and following all college policies outlined in the current Student Handbook. The Handbook can be accessed here: <https://www.daytonastate.edu/files/student-handbook.pdf>

Honor Code

As members of the Daytona State College community, students are expected to be honest and respectful in all of their college activities:

- Students are expected to show respect in their written and verbal communications and behaviors towards each other and towards all College personnel
- Students are expected to avoid all forms of academic dishonesty
- For more information, please visit <https://library.daytonastate.edu/falcononline/integrity>

Counseling and Accessibility Services

Counseling and Accessibility Services (CAS) provides tools and resources to students. Students who self-disclose a disability and provide the required documentation to the CAS Office can receive confidential and reasonable accommodations to assist in their academic success. If you need accommodations, please contact the CAS Office at (386) 506-3238. You can visit the Counseling and Accessibility Services web site (<https://www.daytonastate.edu/student-service-departments/counseling-accessibility/>) for more information.
