

GED-Preparation Learning Plan

CASAS Form Level

Math _____ (A/B or C/D)

Reading _____ (A, B, C, or D)

CASAS Score

Math _____

Reading _____

NRS Level (1-6)

Math _____

Reading _____

After 70 Instructional hours, you may need to retake the CASAS assessment to receive updated feedback on your progress in math and reading. This depends on your most recent form level, score, and NRS level. Please keep track of your attendance hours (in-person, virtual, and EE outside of class hours). Your CASAS results are used to estimate your likelihood of passing the GED subject exams.

Upcoming CASAS Form Level - Cross out if you have reached GED-prep levels

Math _____ (A/B or C/D)

Reading _____ (A, B, C, or D)

- Navigate to the [LearnABE.com](https://www.learnabe.com) website
- Use your Individual Skills Profile and Student Performance reports to decide which level to choose. On the next page, create a list of topics from each subject area that you'd like to improve throughout the semester.

Number Sense (Base Ten/Fractions and Ratios)

Algebra

Geometry

Measurement

Statistics/Probability
