

Microsoft Teams Live Stream

You are able to join class virtually through Microsoft Teams, and in order to receive credit for the day, you must:

- Sign into the live stream using your DSC email
- Complete at least 1.5 hours of active EE work (in class hours)

Note: The chat box, video, and audio are being recorded during the live meeting.

Computer/Laptop

- Go to LearnABE.com
- Click our course link, ABX/GED-Prep
- Click on Live Stream Class link (Microsoft Teams App)
 - It will ask if MS Teams can open, select cancel
- Click Continue on this browser (no download required)
- **If you are not signed in, click sign in at the bottom of the page**
 - Use your DSC email and password
- Make sure mic and video are turned **off** before joining
- You are now signed in and ready to join the class
 - Please keep your mic muted
 - You may use the chat box to type questions
 - **Video, audio, and chat are recorded**

Phone/Tablet

- Go to the app store, search for Microsoft Teams, download app
- Sign into the MS Teams app using your **DSC email and password**
- Once downloaded, go to LearnABE.com
- Click our course link, ABX/GED-Prep
- Click on Live Stream Class (Microsoft Teams App)
 - It will ask 'Open in Teams?', select Open
- Make sure mic and video are turned **off** before joining
- You are now ready to join the class
 - Please keep your mic muted
 - You may use the chat box to type questions
 - **Video, audio, and chat are recorded**
